A Letter From the Fire Chief

The past two weeks have been very trying.

I want to pass along to all members of this Department my thanks and the gratitude of our community for a job well done. The mission is not yet completed, but I want to let each of you know how proud I am of to be the Fire Chief of this Department and to be the leader of this group of people.

Although many of you have suffered serious personal losses due to Hurricane Katrina, this Department has risen to every challenge and accomplished every assigned task.

As I said, the job is not finished. But, the job of the fire service is never finished. I know I can count on each of you as we continue to serve the citizens of our District and others throughout the region.

Like all budgets, it is subject to periodic review and revision as circumstances change through the year. If you have any questions, please feel free to contact Chief Tarleton.
