Wind and Fire Chaplain Delivers Contribution to Relief Fund

After riding his Harley Davidson all the way from Lakeland, Florida Mark Rittermeyer was welcomed by St. George Firefighters at Station 61 with a jambalaya lunch and a lot of friendly handshakes. Mark came to St. George on behalf of Wind and Fire, an international organization made up of firefighters who own and ride Harley Davidson motorcycles. Rittermeyer is a retired firefighter who serves as the chaplain of the group's chapters in the United States.

Before leaving, Mark presented a check from Wind and Fire for the benefit of the five St. George Firefighters displaced by Hurricane Katrina.

He also gifted each of his brother firefighters with commemorative tokens from Wind and Fire and exchanged a Wind and Fire tee-shirt for a St. George one. The Wind and Fire shirt will be mounted and displayed as our expression of gratitude for Wind and Fire reaching out to help some of our own.

Station 64 is Taking Shape

As this January 25th photograph shows, Station 64 on Hoo Shoo Too is starting to take shape.

Work is Underway on Station 66 Remodeling Project

We've heard a lot about the new station on Hoo Shoo Too. During the time it is being built, Station 66 on George O'Neal Lane is being re-vamped to increase living quarters and generally make the station more functional for the full-time crew who works there.

Both projects are due to be completed in June of this year. This is the first major re-vamp of Station 66 since it was built in 1991.

Welcome to the St. George Family

We'd like to announce three new additions to the St. George Family.

On December 9th, Brooke Denicola wed Captain Guy Denicola.

Carson McKowen Chaney was born on January 2nd to Joe Chaney and his wife, Emmie. Carson is the Chaney's second child.

And, on January 7th Maria (Mrs. Robert "Soup" Campbell) joined us.

Best wishes to all. May you each enjoy long and happy lives as part of our extended family.
