

## TRANSFER SCORES NOW FOR THE JULY ACADEMY

You must be in the St. George applicant pool to be contacted with information about our upcoming Fire Academy. We anticipate hiring at least an additional 15 recruits to fill that academy and take firefighter positions upon graduation.

If you have not transferred your test scores and filled out a St. George Employment Application, time is running out on this opportunity to begin your career in the fire service with a progressive, growing department.

Call (225) 389-8600 and ask to speak to Pat Senn or Chief Chuck Albert.
